HARDER THAN IT LOOKS

By Charles

USUALLY so many five-letter words would make a puzzle easy, but not when they are accompanied by such as 33 Horizontal and The God of Love in Sanskrit.
PATTERN WITH WORDS
BY CHARLES ERLENKOTTER

THIS constructor is capable of tripping up our very best people with his choice definitions. However, he has been merciful here, and has only dragged a red-herring sauce across the trail.

50 Prefix, two
52 Concerning
MISS McKay does her stuff in eminent style in this construction. It is simple enough, in all conscience, but many unusual words make up for the conventionality of design.
